Overview:

Ketan Khare is a Partner at Saraf and Partners in the Real Estate practice.

Ketan's practice focuses primarily on Real Estate and Commercial Laws and various statutes of Indian legal system with experience of over 19 years. His expertise lies in property and corporate due diligence, transactions pertaining to acquisition and financing of various types of retail, commercial and industrial properties, including manufacturing units, industrial plots, townships, Special Economic Zones, restaurants, Information Technology Parks, Renewable Energy Projects, Warehousing Facilities, etc.

He also advises clients on estate planning, succession laws, drafting of wills, private trusts, obtaining probates and letters of administration, etc. In his career, Ketan has successfully handled various complex and high value assignments. His approach in conducting due diligence and advising on transactions is to identify the potential issues, analyse the risks arising out of them and suggest options and methods to either resolve or mitigate them, which has been well-appreciated by the clients.
