Overview:

Navomi advises clients on a broad range of corporate transactions, particularly on M&A, private equity investments and associated regulatory work. She has represented acquirers and financial investors across a wide range of industries: aviation, real estate, technology, diagnostics, manufacturing, quick service restaurants, fashion, and energy sector in India. She also routinely advises clients on structured acquisitions and stressed asset M&A with a mixture of debt enforcement and equity, including as part of an insolvency process.

Navomi also advises both lenders and borrowers in raising funds via loans, listed debentures, foreign currency bonds across various sectors.
