Overview:

Sanya is a Partner with the Dispute Resolution team at Saraf and Partners. Sanya has a wide array of expertise across several fields and subject areas. She has been extensively involved in representing domestic and foreign clients in the areas of arbitration and commercial litigation.

She has represented engineering companies, as contractors and PMCs, in construction arbitrations and has experience in sectors spanning oil and gas, road, power and renewable energy (wind and solar power). She has also represented both lenders and borrowers in commercial and insolvency matters and has represented clients before Supreme Court of India, High Courts, District Courts, Debt Recovery Tribunals, NCLTs and Consumer Fora.

She is an honorary research consultant with the Ministry of Home Affairs Committee for Reforms on Criminal Law and holds a keen academic interest and practical expertise in the field of criminal law and white-collar crime.
