Overview:

Sudeshna has extensive experience of nearly 17 years addressing litigious mandates across sectors relating to shareholder disputes, deadlock in management, foreign investors' exits from their portfolio companies, disputes arising out of commercial contracts, infrastructure, construction, real estate and disputes arising out of downstream investments of foreign investors in various sectors in India.

Sudeshna has advised and represented clients, across sectors, in complex disputes regarding private equity and shareholder disputes, including issues pertaining to valuation, corporate governance, exit rights, oppression and mismanagement etc. in various arbitration proceedings, both domestic and international arbitration in respect of all these issues.

She is an experienced and multifaceted litigator who has advised and represented clients in a range of commercial causes. She has been appearing before various including different High Courts, the Supreme Court of India, and Tribunals such as NCLT and NCLAT.

She advises and represents resolution professionals, borrowers, banks, financial & operational creditors, and asset reconstruction companies in restructuring and insolvency proceedings and cross-border disputes.

Her clients include institutional investors and multi-national corporations who seek her advice on non-contentious mandates. She advises them on mitigating risk arising from investment agreements and shareholders' arrangements and helps structure transactions which allow for robust insolvency resolution.

She has been appointed as a sole arbitrator by the Mumbai Centre for International Arbitration (MCIA) in a commercial dispute, successfully completed the arbitration, and issued an award in less than a year.
